## Friends of the Table

We would like to extend a hand of thanks to our wonderful community based people who have joined us as esteemed guests and Friends of the Table.

Mr Errol Barrett

Mr Paul Vukelic

Mr Peter Gibbs &  
Ms Anna Snow

Mr Peter Krikke

Mr Don Punch

## History of the Luncheon from our Founder

Based on a Victorian tourism event (2003) showcasing local food and wine producers and with catering as my speciality, I decided to set up a long table to raise money to support and work with Bunbury volunteer based charities.

Together with my daughter Chef Tania Kershaw and Chef Don Hancey we ran the first 2 years with the Bunbury Jetty as beneficiary and then invited local community service organisations to apply and nominate volunteers to help run the event. We were inundated with worthy applicants and selected a number of well-established community service organisations at that time.

In 2018 our 15th successive year of the Table, we reached our first \$1 Million and our 82nd beneficiary organisation.

Our current amazing committee of 10 all share my passion for this event and our 12 volunteer Chefs are eager to join us each year to demonstrate their skills and passions and ensure the Table's success. The Table now has an identity of its own and has won acclaim as a peak event in Bunbury and the South West, thanks to very many people.

Leonie Kershaw, Founder.

# Welcome from the Chairman

Welcome to this wonderful event!

Founded on our West Australian spirit of generosity, the Chefs Long Table Charity Lunch excels in helping others while we enjoy a little fun with friends and colleagues. Our South West region is one of the most beautiful places on earth and it's by our good fortune we can showcase this along with the quality of our local foods and the talents of our chefs.

We're committed to supporting our South West community. In our 15 year history, over \$1 million has been raised to assist 84 not-for-profit groups introduce or expand local projects.

A huge vote of thanks to each of our Chefs and Producers who help create the special menu and a warm welcome to HMAS Stirling Naval Base Chefs who are lending a hand once again. A special thank you to our sponsors. Your generosity contributes to the success of the Table each year.

Our thanks to the veritable army of community volunteers who help make this such a spectacular event and to the volunteer Committee members who work tirelessly throughout the year to create a memorable event for everyone.

We strive to make this the premiere event in the South West by regularly introducing new initiatives. This year we have incorporated the Chefs Short Table – seating 10 guests who will enjoy the attention of a dedicated Chef serving a uniquely crafted meal and selection of fine wines. Today, the 2020 Short Table will be auctioned. So if you are looking for an amazing experience for friends and family I would encourage your spirited bidding.

Finally thanks for joining us today and supporting this Bunbury iconic event. Your generosity is truly appreciated.

David Dorsett-Lynn, Chairman

## Restoration of our *Trailer*

The Chefs' Long Table Charity Lunch's equipment trailer has a new life, thanks to the Southern Ports Authority and Yookson Road Engineering.

The trailer, built 12 years ago to carry trestle tables originally doubled as the event stage. It now carries 52 table tops and 160 trestles to each annual event. Through its 15 years' life the trailer had sustained quite a bit of minor damage as well as general wear and tear. The Committee in keeping with its risk and safety awareness, ordered that repairs and refurbishments be urgently undertaken to ensure the safety of our volunteers.

Julie Combes, Yookson Road Engineering and her staff, in true Chefs Long Table spirit donated extensive time and labour to stripping back the trailer ready for a total rebuild, making an in-kind contribution of around \$5,000. Julie has offered to carry out any required maintenance following each Charity Lunch, stressing that this is one way they could give back to the community and support the important work of the beneficiaries.

Southern Ports Authority, a regular sponsor of The Chefs Long Table Charity Lunch events over the years, once again provided the very generous grant which enabled purchase of essential materials and equipment. Riverside Signs added "the icing on the cake" in donating their staff time to applying the attractive branding acknowledging all of these important contributors.

## Driving the South West

# Performers and *Entertainment*

## *Mitchell Martin*

Mitchell Martin is a 21 year old musician who studies music at the Western Australian Academy of Performing Arts. Mitchell captivates his audience with his emotive song-writing and entertaining live show, which features his unique style of live looping. Last year he was invited by Hit92.9 to perform in front of 50,000 people at Optus Stadium, as well as debuting on live TV for Channel 7s Telethon. Mitchell has recently undertaken a regional tour of WA, three headline shows, supported British India, Killing Heidi, Justice Crew and performed on the main stage at Mandurah CrabFest and the Fremantle BeerFest

## *Perth Drag Queens*

A glitter-fest of fun and fabulousness! Perth Drag Queens are proud to present their glamorous divas for a one day only show spectacular! Featuring grand group numbers and comedic solos, our femme-fatales will be entertaining you with iconic hits from the 70's to now, you'll be singing along to every number! Feathers, sequins and confetti are sure to fly with our numerous costume changes and with enough hairspray to hold a house together, you're in for a wild ride!

## *VanderAa*

It's an experience, a story of their experience! A journey of two brothers from Darwin, Australia that have created something unusual and unique. VanderAa's sound blends a mix of drum, djembe, beatboxing, didgeridoo with guitar and vocals. You can feel the life they breath into their words, the energy they move through their instruments and the connection they make with their audience. From busking the streets to headline international shows & festivals, VanderAa have done it all from the back of their Van. Performances such as Burning Man, Splendour in the Grass, Falls Festival and Bass in the Grass to their most recent world tour. Accompanied by relentless Australian touring and international touring through Europe, America and Canada.

## *Ross Wallman (MC)*

Ross has been in radio, TV and MCing for over a decade despite his baby face look. Currently the morning announcer on Nova 93.7 and regularly appears on TV in various roles, Channel 9 in lifestyle programs and Ch 10 as Perth whip reporter for both the Project and Studio 10. He is an ambassador and works for a number of charities including Muscular Dystrophy WA, Variety WA, Melanoma WA, Ronald McDonald House Charities and many more. He loves people and genuinely cares about the work he does.

# 2019 Beneficiaries

*Bunbury Volunteer Fire and Rescue* Purchase of a digital projector, screen and PA to be used in training emergency service volunteers specifically in procedures, equipment components and application. The equipment will assist in demonstrating fire and rescue techniques at community events, open days, schools and school-based Emergency Services Cadet groups.

*Dalyellup Seasons Shed* Purchase materials for members to make timber toys, doll's houses, cubby houses and more to be donated to assist fund raising focussed on giving to children in need. Members donated an attractive, well-crafted Rocking Horse last year and will donate a "surprise" item for this year's auction.

*Leschenault Catchment Council* Building possum and bat nesting boxes for installation in residential areas towards harmonious co-existence of people, possums and bats. The Western Ring Tailed Possum has recently been declared a threatened species with less than 8,000 individuals left, they are endemic to and are only found in the South West of WA. A Register of sightings will be maintained and reported with resident's help.

**Leschenault  
Catchment  
Council**

**NEWTON MOORE SENIOR HIGH SCHOOL**  
Achieving Today for Tomorrow

*Newton Moore Senior High School* Purchase of coffee machines which will enable Year 11 & 12 students to gain Barista accreditation and expand their work skills and employability opportunities. A small-scale enterprise will see an occasional café where students can gain first-hand experience serving staff and small functions. Students will learn skills required for managing a business, customer service, time management plus cooking skills and have an opportunity to explore sustainability ideas such as alternatives to disposable cups and recyclable or reusable food packing.

*The Lishman Health Foundation* This research will gather data about the demographics and health characteristics of patients presenting to Bunbury GPs with unrecognised alcohol and other substance use disorders. The aim is to develop a best practice model for GPs in private practice and community medical centres in managing patients presenting with these disorders. Dr Mathew Coleman, Consultant Psychiatrist, WACHS and Clinical Senior Lecturer Rural Clinical School of WA will conduct the study on behalf of the Lishman Health Foundation.

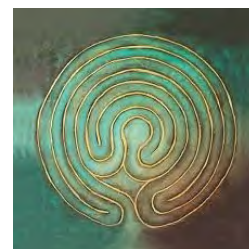

Licence Test (P Plate.)

*Investing In Our Youth Inc/South West Regional Youth Driver Education (R4DE)*

This beneficiary will purchase an additional automatic geared vehicle to expand the new Youth Driver Training Program. Approved adult drivers volunteer to mentor disadvantaged young people who have been referred by local care organisations, assisting them to gain the required 50 hours supervised practical driving experience needed to take their Driving

*Projects of the Heart and Soul WA Inc.* Purchase of materials to build Bunbury Garden Labyrinth. The Labyrinth will be a paved pathway comprising seven unfolding circles coming to a central point located in Bunburys Queens Gardens. Key contributors are The City of Bunbury, Simcoa, Holcim and Piacentini & Sons. Through the ages and in every culture, labyrinths have been created in natural settings and in places of ceremony, worship and healing to bring the community together. People will be encouraged to move quietly through the labyrinth, to relax, pause & be mindful.

# Pearls and Mustang

Do you want to win one of these stunning Pearl Necklaces valued at \$3000 donated by Jewellers Goldsmiths?

The winner will then be able to select from one of the beautiful pearl pieces above.

To win you need to purchase a \$10 mystery box which contains a beautiful fresh water pearl valued at \$30-\$50 per pearl.

To find out if you are the lucky winner present the pearl and packaging into the Jewellers Goldsmiths store at 21 Stephen Street Bunbury

# Mustangs

Geographe Ford and Pullman Hotels and Resorts have come together to donate this fantastic weekend away.

Pullman Bunker Bay Resorts are donating a beautiful Garden View Studio Villa as a weekend away for two in the stunning Bunker Bay. This breathtaking location and accommodation comes with an inclusive full buffet breakfast

And why not get there in style, thank you to Geographe Ford who are donating the means of travel with Australia's best-selling sports car the 2018 Ford Mustang GT Coupe. With 5.0 Litre V8, 10 speed automatic, 339 Kw, 556 Nm of power.

To win this amazing weekend purchase a \$10 hot wheels car. Winner will be announced as soon as all the cars are sold.

In beautiful Bunker Bay

# Jewellers Goldsmiths

Champagne Diamond & Pearl bangle for auction

Jewellers Goldsmiths are very honoured to be partnering up once again with The Chef's Long Table Charity Lunch 2019 to support our local community.

Jewellers Goldsmiths is an independently owned ~ second generation ~ family run business which has serviced the Bunbury & South West region for over 30 years. With our team of qualified manufacturing jewellers you can have your jewellery repaired in-store utilising our SAME DAY repair service.

Specialising in antique jewellery restorations, trust us to transform your special piece back to its former glory with the highest standard of quality workmanship & customer service. We take great pride in listening to our customers ideas whilst guiding them through the process of remodelling & remaking together we can create that special unique piece.

*Whether it's a ring that needs resizing .... a chain that needs repairing .... a stone that needs replacing or melting down your old gold to make a new solid gold bangle .... Its all done in-store.*

## Driving the South West

Bunbury Hyundai | Bunbury Volkswagen | GEOGRAPHE FORD | GEOGRAPHE USED CARS

# Auctioneer Extraordinaire

**Thank you** Chris Waddingham, auctioneer extraordinaire.  
Your support is greatly appreciated!

Chris has been with the Luncheon for 10 years and has helped us raise over \$1'000'000 for different community grants over the years.

*How did you get into being an auctioneer?*

I obtained my auctioneers licence in 1994 during my traineeship as a livestock agent and auctioneer. I hold a general auctioneers licence, which allows me to conduct any auction in WA, however I specialise in rural commodities. As a livestock agent I conduct auctions for cattle, sheep, farm plant and machinery and once upon a time pigs.

*Why you keep coming back to the event and what drove you to it to begin with?*

I was asked to auction the event in 2009 when the committee had another auctioneer unable to attend at the last minute. I was unsure if I could do it as my wife had been admitted to hospital to have our third child. I did end up running the auction and my daughter was born two days later. It is her 10<sup>th</sup> birthday on the same day as this year's event (I will have come straight from her party on the day).

*What has been your favourite item to auction off over the years?*

There have been many interesting items over the years such as a week in a French Chateau and a Surf Life Saving Oar carried by two young shirtless men but the most memorable would be an ACDC guitar signed by Bon Scott.

*What are you looking forward to in this years event?*

I love the charity nature of the Chef's Long Table Lunch and as much as I'd like to say I really look forward to the auction I'm actually here for the food!

## Auctions Terms and Conditions

### Terms and Conditions of Fast and Live Auctions

1. The highest bidder accepted by the Auctioneer will be the buyer, with the Auctioneer having the right to refuse any bid if it is not in the best interest of the seller.
2. A bidder may bid on behalf of another entity. This bidder will take full responsibility for payment of the item if successful.
3. The amount of the advance of each bid is regulated by the Auctioneer and no bidder can retract their bid once accepted by the Auctioneer.
4. If any dispute arises in relation to any bid, the Auctioneer may immediately either determine the dispute or resume the bidding at the stipulated last undisputed bid. If the dispute still remains unresolved the CLTCL Committee Auction Co-ordinator will make and announce his/her determination which shall be final and no further debate entered into.
5. Full purchase price must be paid by 5pm on the 24th February 2019 before collection of the item.
6. Silent auction finishes at 4pm sharp.

Pork fat Potatoes/ Miso, Nori

### Dessert

Middle Eastern Mess / roasted Strawberry, Orange Blossom,  
caramelised white Chocolate, Sumac.

# The *Sanctuary*

"The Sanctuary" - Auction item L8

The old Bunbury Jetty was held in place with Jarrah Piles, most approx. 18" in diameter (in metric approx. 450mm). the piles were sources from the Pile Road Area, east of Dardanup to the Wellington Mills hence to name. Jarrah was the preferred timber for the piling aspect of a Bridge or Jetty in our part of the world. They would be around 100 years old when they were cut, add about 120 years pending when they were placed; that would make them at least 200 years old. The two verticals on this piece are from original Piles. The horizontal pieces you'll see by the same character holes are from the same piece of timber this section was known as a whaler.

The Whalers however were cut to approx. 12" x 6" (in metric 300 x 150 mm) and were milled generally from trees two to three times older than the Piles. 400 years would not be out of the question for these timbers which includes the life of the Jetty. They were place front and back of the vertical Piles at approx. medium to high tide. Here they endured decades of tidal movements in and out of the water everyday plus the storms.

To be able to rejuvenate this Timber to show some of what's inside and remind us of the role it played in Bunbury's history is a privilege. It is no wonder this timber is so highly regarded. The Bunbury Jetty was also not only a Sanctuary for many fish but as much as a Sanctuary for the people who fished it.

Kerry Trantham
